Future Instagram Post Tests for Salmo.uk

Top 3 headaches experienced by people applying for UK visas.

3. Confusing application forms.
Too much going on with not enough explanation why!

2. Incorrect documentation lists.
Often people arrive at their expensive lawyer appointment, just to find that the documentation GOV.UK told them to bring is incomplete!

1. Contradictory information online.
We don't even understand how one website can give two opposite facts on one topic!

Salmo can help.

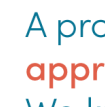

We've consulted with lawyers and studied the official visa documentation to provide you with a solution to all these headaches.

Why choose
Salmo?

Information based on real life experience. We explain visas in a way **anyone can understand!**

A professional but **friendly approach** to communication. We know this is a stressful time.

Help for **all aspects of the visa process**. We know it's more than just completing some forms.

Why do we want to **help?**

Because we know **how it feels.**

So Salmo was created with the **people behind the visa** in mind.
